# Every Coach, Every Athlete

## *Forsyth/Dawson Fellowship of Christian Athletes*

Our goal and strategy is set to reach **Every Coach and Every Athlete** with the message of Christ. Now is the time to influence the next generation. FCA has the infrastructure in place to train and equip leaders with Character, Integrity, Teamwork, and Excellence. Your support will directly impact the 17 Middle School and High School campuses in our area offering Huddles, Bible studies, Discipleship Training, and Outreach Events. Community Sports Programs will also be influenced. Sponsors are needed to add 6 additional staff, resources, and on-going training. Visit our web-site for a more detailed look at our programs and events. Join the FCA Support Team today.
